RE: MUR 7418

Dear Ms. Ewan and Mr. Iglitzin:

On June 27, 2018, the Federal Election Commission notified your client, Fuse Washington, of a complaint alleging that it had violated certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act").

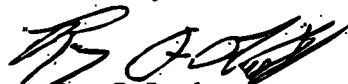

Upon further review of the allegations contained in the complaint, the Commission, on May 21, 2019, voted to dismiss this matter. Accordingly, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. See Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). One or more Statements of Reasons explaining the Commission's decision may follow.

If your client decides to engage in future federally reportable activity, it has the option of participating in an FEC Connect webinar to increase awareness of the Act's reporting requirements. To schedule a free one-on-one training session, your client can send an email to [speaker@fec.gov](mailto:speaker@fec.gov).

If you have any questions, please contact me at (202) 694-1650.

Sincerely,
